

Protecting Your Family and Business One Risk at a Time

About Us

Outdoor Insurance Services is your comprehensive solution for insurance consulting, products, and services. At OIS, we specialize in delivering risk management, consulting, and insurance coverage tailored for businesses involved in outdoor operations, work, and recreation. Additionally, OIS offers comprehensive risk protection for personal, family and commercial insurance needs. With our extensive expertise, we develop and personalize affordable insurance programs designed to protect both your business and your family.

(832) 497-5312

Personal insurance

OIS offers a variety of coverages, including home, auto, life, umbrella, and flood insurance, among others. You can have peace of mind knowing that we will ensure you and your family are well protected.

Commercial insurance

OIS provides a wide range of commercial insurance options, including property, liability, workers' compensation, and commercial auto. We focus on working with you to develop a customized insurance package that offers optimal protection for your business.

Additional insurance

OIS provides coverage for a diverse range of unique needs as well. Examples include RV parks, wedding and event venues, recreational facilities, fitness centers, golf clubs, and gymnastics centers, among others.
